GOD'S TIME

"What Time is it?" you're asking.
Why, it's time to simply be,
To find my higher, inner self
That is uniquely me!

It's time to go exploring
the hidden depths within
That I might find my secret wings
It's time that I begin!

For it's a time rich with potential
A time to start - not to end.
You're asking what the time is!
It's God's time, my friend!
