*Welcome to the world of Quantum Wellness . . .*

*What is a biofeedback session? Using an EPMX machine, (the first energetic medicine device capable of scanning unconscious reactions of 9,000 items in just 3 minutes), the system detects nutritional deficiencies, i.e., mineral, amino acids, enzymes, hormones and vitamins; as well as any mental and emotional imbalances. Frequencies and energies (therapies) are then administered to balance and stimulate the body's immune and energy systems, promoting energy flow and releasing stress. The system has over 85 Bioresonant therapies to rebalance your energy field and eliminate irritants and toxicity.*

Sessions take approximately an hour and 15 minutes. To schedule an appointment, call (716) 595-2617, or email Jan, [jayjan2001@yahoo.com](mailto:jayjan2001@yahoo.com). Available times on Saturday April 26 and Saturday May 3 are:

9:00 a.m.	1:45 p.m.
10:30 a.m.	3:15 p.m.
12:15 p.m.	4:45 p.m.

Note: Future monthly sessions will be scheduled by request.
